Oil & Gas Association

NOMINATIONS ARE NOW BEING ACCEPTED FOR THE 2021 OPERATOR OF THE YEAR AWARD

Nomination Submissions are due by end of business day on **September 23, 2021**.

In 2011, the Indiana Oil and Gas Association Board of Directors and the Awards Committee decided that the INOGA needed to single-out outstanding Member Operators and salute them with the recognition they deserve.

Nominations for the Operator of the Year Award should consider that the:

- Independent Oil Operator is the backbone of the oil industry in the State of Indiana and the US.
- Independent Oil Operator is NOT Big Oil. Big Oil found the easy oil in the Illinois Basin and left the illusive oil to the grit and determination of the Independent Oil Operator.
- Independent Oil Operator is honest and hardworking and epitomizes what the American Dream is all about.
- Independent Oil Operator's work is never done. They work 24/7/365.
- Independent Oil Operator is a true American Hero and deserves to be recognized.

Operator of the Year Award Nomination Criteria:

- 1.) Must be an active member of INOGA
- 2.) Must show significant oil production in the State of Indiana
- 3.) Continue to explore and develop new energy resources within Indiana
- 4.) Places value in the upkeep of their production Facilities
- 5.) Utilizes new Technology
- 6.) Supports and participates in the activities of the INOGA
- 7.) Is a participant and supporter of community activities
